

Children's National™

DC Regional Academy on Family Violence Lecture Series

Child and Adolescent Protection Center

Infant Mental Health: Beyond Developmental Milestones

Hannah Snyder, Ph.D.

Psychologist, Child and Adolescent Protection Center, Children's National Hospital

Date: February 10, 2023

Time: 10 am – 11 am

Zoom Link: <https://childrensnational.zoom.us/j/6558200400>

Learning Objectives:

- 1) Define infant mental health and the importance of attachment in infant mental health
- 2) Recognize symptoms of mental health challenges in an infant
- 3) Identify interventions for supporting infant mental health

Target Audience:

Medical and non-medical professionals who work with children and families impacted by violence.

The DC Regional Academy on Family Violence was made possible by SSAPC Grant Number 90EV0462 from the Department of Health and Human Services, Administration for Children and Families. Its contents are solely the responsibility of Children's National Hospital and do not necessarily represent the official view of the Department of Health and Human Services, Administration for Children and Families. This Event is co-sponsored by the DC Children's Justice Act Task Force and the Washington Children's Foundation Endowed Professorship in Child & Adolescent Protection.

Nursing Accreditation: Children's National Hospital is accredited as a provider with distinction of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation
