

CURRICULUM VITAE

Robert F. Anda, MD, MS
Scientific Consultant (Medicine and Public Health Policy)
Co-PI and Co-Founder, Adverse Childhood Experiences (ACE) Study
Captain, U.S Public Health Service (Ret.)

EDUCATION

1984	M.S. (Epidemiology) University of Wisconsin School of Medicine
1979	M.D. Rush Medical College, Chicago, Illinois
1976	B.S. Rush University, Chicago, Illinois

POST-GRADUATE TRAINING

1979-1982	Intern and Resident in Medicine University of Wisconsin School of Medicine Madison, Wisconsin
1982-1984	Fellow, Preventive Medicine, University of Wisconsin
1985-1987	Resident, Preventive Medicine, CDC, Atlanta, GA

PROFESSIONAL LICENSE/CERTIFICATIONS

Wisconsin	Medical license #23385 (active)
1987	Board Eligible--American College of Preventive Medicine
1982	Board Certified--American Board of Internal Medicine
1979	National Board of Medical Examiners (General)

Career Awards

America's Top Physicians, 2010

Distinguished Alumni Award, 2009—University of Wisconsin School of Population Health Sciences

Margaret Cork Award

Created to honor pioneers in the field of children of alcoholics. Presented on October 19, 2006 in Washington, DC for scientific breakthroughs from the Adverse Childhood Experiences (ACE) Study. Award presented by the National Association for Children of Alcoholics at the Washington Club .

Imagining a Better Future Award. From the Institute for Safe Families, Philadelphia, PA. For work on the Adverse Childhood Experiences (ACE) Study. Presented at the Independence Ballroom, Philadelphia, PA, March 31, 2006

Special Recognition Award Presented by the Association of Teachers of Preventive Medicine (ATPM) during the opening session of their annual meeting in June 15, 2006.

“This award is periodically given to an individual, agency or organization that has provided outstanding service to the Association, its members or to the field of prevention and public health education.”

Scientific Awards-CDC

2002 ACE Study—Winner of CDC Group Award in Epidemiology

2001--Charles C. Shepard Award Winner, Outstanding Scientific Contributions to Public Health, for work on the Behavioral Risk Factor Surveillance System

2001--Finalist for the Charles C. Shepard Lifetime Scientific Achievement Award

Research Awards/Honors for Peer-Reviewed Publications:

The Best of Archives of Internal Medicine, for the year 1999.

Croft JB, Giles WH, Pollard RA, Keenan NL, Casper ML, Anda RF. Heart Failure Survival among Older Adults in the United States: A Poor Prognosis for an Emerging Epidemic in the Medicare Population. IN: JE Dalen (ed.). American Medical Association, United States, pp 84-94.

Ten research papers received final consideration for the Charles C.

Shepard Award for outstanding contribution to the scientific literature by CDC and ATSDR scientists. Each year, only about 25 of CDC's 3,000 publications reach final consideration for this award.

2005 Nominee for **Charles C. Shepard Award** (from ACE Study)

2004 Nominee for **Charles C. Shepard Award** (from ACE Study)

2002 Nominee for **Charles C. Shepard Award** (from ACE Study)

2000 Nominee for **Charles C. Shepard Award 2 papers** (from ACE Study)

- 1994 Nominee for Charles C. Shepard Award
- 1993 Nominee for Charles C. Shepard Award
- 1992 Nominee for Charles C. Shepard Award
- 1991 Nominee for Charles C. Shepard Award-2 papers

Current Positions and Professional Activities:

03/2011-present

Board of Directors
ChildWise Institute

11/2009-present

Senior Scientific Consultant
Carter Consulting
Atlanta, GA

7/2004-present

Senior Scientific Consultant to CDC
McKing/Carter Consulting
Atlanta, GA

Senior Scientific Advisor to
Health Presentations, Inc

Science Advisor
Authentic Voices, International

Scientific Advisory Committee Member
National Association of Children of Alcoholics

Consultant to Numerous Studies/Projects
Addressing Adverse Childhood Experiences

8/94-present

**Co-Founder and Co-Principal Investigator
Adverse Childhood Experiences (ACE) Study
CDC**

6/2002-6/2005

Board of Directors California Institutes of Preventive Medicine
Provide scientific oversight and epidemiologic support
for the Institutes and assist with grant applications

6/92-7/94

Chief, Epidemiology and Surveillance Section
Cardiovascular Health Studies Branch, CDC

- 1996 **CDC Task Force on Genetics in Public Health**
- 1/94-10/94 **Acting Chief, Cardiovascular Health Studies Branch**
- '90-'92 **Medical Epidemiologist**
Cardiovascular Health Studies Branch, CDC
- '89-'90 **Supervisory Epidemiologist**
Behavioral Risk Factor Surveillance Branch, CDC
- '88-'89 **Medical Epidemiologist**
Behavioral Risk Factor Surveillance Branch
- '86-87 **Preventive Medicine Resident**
Division of Nutrition, CDC.
- '84-86 **Epidemic Intelligence Service Officer**
Michigan Department of Public Health
Lansing, Michigan (Field Assignment, EPO/CDC)
