

# Child Advocacy Center Update

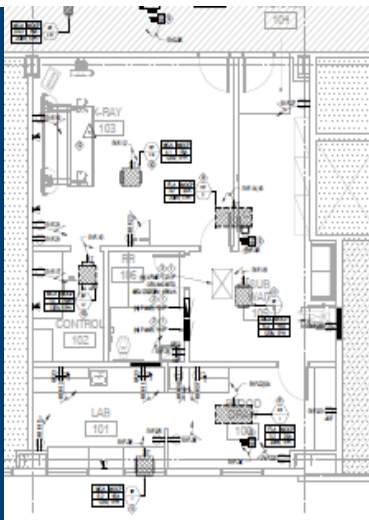

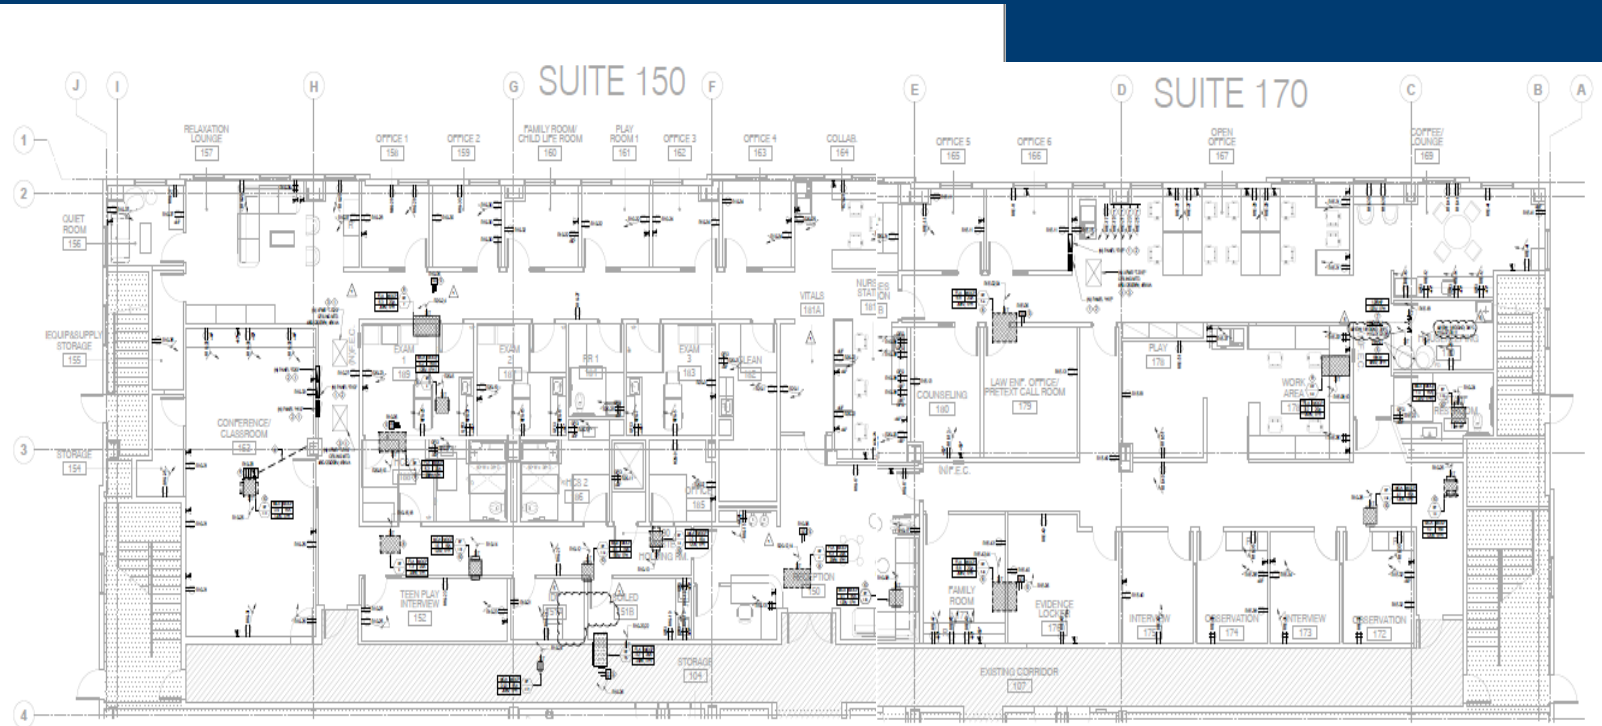

A 20-year dream coming true.

# Child Advocacy Center will co-locate:

- Child Forensic Medical Examinations (SART and Physical Abuse and Neglect)
- Child Multi-Disciplinary Interviewing and Law Enforcement Follow Up
- Confidential and DA Victim Services for child victims of abuse and families
- California Victim Compensation Program

# 455 O'Connor Drive

We'll do it  
better  
together –  
and all on the  
same day  
where  
possible.

- Child Sexual Assault Forensic Examination
- Victim Advocacy
- Forensic Interview
- Mental Health support
