

## **Nancy Kellogg, MD**

Dr. Kellogg is Professor and Division Chief of Child Abuse in the Department of Pediatrics at University of Texas Health Science Center-San Antonio. She has published over 130 articles and book chapters and has been an invited speaker at numerous local, regional, national, and international conferences. She was the Chair of the Texas Pediatric Society Committee on Child Abuse for 10 years and served on the American Academy of Pediatrics Committee on Child Abuse and Neglect for 6 years. When the American Board of Pediatrics approved Child Abuse as a new subspecialty in pediatrics, Dr. Kellogg was appointed as the Medical Editor and served for 17 years in this role.
