

DAVID FORREST WILLIAMSON

CURRICULUM VITAE

June 2011

DAVID F. WILLIAMSON, M.S., Ph.D.
Hubert Department of Global Health
Rollins School of Public Health
Emory University
1518 Clifton Rd N.E. - Room 7035
Atlanta, GA 30322
770-488-1054
dfwilli@sph.emory.edu
drw1@cdc.gov

CURRENT POSITIONS:

Visiting Professor
Hubert Department of Global Health
Rollins School of Public Health
Emory University
Atlanta, Georgia

Senior Science Consultant on Primary Prevention
Division of Diabetes Translation
CDC
Atlanta, Georgia

EXPERIENCE:

Consultant (2007)
National Association of Chronic Disease Directors
Atlanta, Georgia

CENTERS FOR DISEASE CONTROL
AND PREVENTION
Senior Biomedical Research Scientist (1997-2007)
Division of Diabetes Translation
National Center for Chronic Disease Prevention
and Health Promotion
Coordinating Center for Health Promotion
Centers for Disease Control and Prevention
Atlanta, Georgia

Commissioned Officer (0-6, CAPT, ret. 2007)
Commissioned Corps
U.S. Public Health Service

Associate Director for Science (10/94-12/97)
Division of Diabetes Translation
National Center for Chronic Disease Prevention

and Health Promotion
Centers for Disease Control and Prevention
Atlanta, Georgia

Acting Director (10/94-7/96)
Division of Diabetes Translation
National Center for Chronic Disease Prevention
and Health Promotion
Centers for Disease Control and Prevention
Atlanta, Georgia

Acting Assistant Director for Science (3/94-6/94)
Office of the Director
National Center for Chronic Disease
Prevention and Health Promotion
Atlanta, Georgia

Epidemiologist (7/87-9/94)
Chronic Disease Prevention Branch
Division of Nutrition
National Center for Chronic Disease Prevention and
Health Promotion
Atlanta, Georgia

(07/85-06/87) Epidemic Intelligence Service Officer

Epidemiology Branch
Division of Nutrition,
Center for Health Promotion and Education
Atlanta, Georgia

EMORY UNIVERSITY

Adjunct Assistant Professor (1986-1993)
Division of Epidemiology
School of Public Health, Emory University,
Atlanta, Georgia

NEW YORK STATE

Research Scientist (05/84-05/85)
Department of Health
Division of Community Health and Epidemiology
Bureau of Chronic Disease Prevention
Albany, New York

INDONESIA

Survey Specialist (06/80-08/80; 01/81-01/82)
National Center for Nutrition Research and
Development
Bogor, Indonesia

PHILIPPINES

Project Site Director (08/78-08/79)
National Vitamin A Fortification Evaluation Project
National Nutrition Center of the Philippines
Manila

Survey Manager (06/77-08/77)
National Nutrition Center of the Philippines
Manila

NEPAL

Field Survey Technician (01/75-05/75)
Served as anthropometrist on the first National
Child Nutritional Status Survey of Nepal

Science Teacher (08/72-11/74)
Peace Corps Volunteer
Arru Chour, Parbati District

EDUCATION:

- Ph.D. (1984) International Nutrition
Cornell University
Division of Nutritional Sciences
Ithaca, New York
Dissertation entitled: Household Buffering of Seasonal
Food-Availability in a Crisis-Prone Area of Lombok, Indonesia:
Implications for Timely Warning and Intervention Systems.
- M.S. (1980) International Nutrition
Cornell University
Division of Nutritional Sciences
Ithaca, New York
Thesis entitled: Utilization of MSG and Its Potential as a Vehicle for
Vitamin A Fortification in Two Provinces of the Philippines.
- B.S. (1972) Biology/Ethology
Pennsylvania State University, University Park, PA.

DATA ANALYSIS: Minored in Statistics for both the M.S. and Ph.D., with substantial training and experience in data analysis.

CONSULTANCIES:

- Medical Service Consultants, Inc. (1980) Prepared background paper for USAID, on the impact of declining fuel wood availability on nutritional status in the Third World.
- New York State Hunger Watch Project (1983-84) Carried out data analysis on case-control studies of malnutrition among preschool children in Syracuse and the Bronx.

Helen Keller International (1984)	Carried out an evaluation of HKI activities in xerophthalmia prevention and control in Indonesia for USAID.
North Dakota Department of Health (1987)	Carried out an investigation of an acute, localized epidemic of ethylene glycol poisoning.
Nutrition Policy Board (1993-94)	Member of working group of Federal scientists examining issues related to defining a "healthy body weight".
National Diabetes Education Program (1995-96)	Member of national steering committee to develop the plan for a long-term private-public partnership to educate clinicians, patients, and the general public about prevention and treatment of diabetes mellitus.
World Health Organization (1993)	Member of expert committee on "Physical Status: The Use and Interpretation of Anthropometry, Subcommittee on Adults."
Pan American Health Organization (1995)	Consultant to new program on obesity and poverty in Latin America.
American Cancer Society (1996)	Member of ACS Dietary Guidelines Advisory Committee.
National Heart Lung And Blood Institute (1995-98)	Member of expert panel on the identification, evaluation, and treatment of obesity in adults at high risk for cardiovascular disease.
The Rudd Foundation (1999)	Consultant to a new non-profit, privately funded foundation with interest in improving awareness and treatment options for obese persons and their health care providers.
Consumer Reports (2000-2002)	Serve as reviewer for press reports on obesity and weight control.
National Task Force on Prevention and Treatment of Obesity (1990-2000)	CDC liaison member to the National Institute of Diabetes, Digestive, and Kidney Diseases task force. The task force is made up of academic experts who advise the NIH on policy related to obesity research.
Diabetes Prevention Program (1995-2002)	Consultant to the National Institute of Diabetes, Digestive, and Kidney Diseases steering committee of co-investigators for the economic evaluation of a 27-

	center randomized controlled trial for the prevention of type 2 diabetes.
Look AHEAD Study (Current)	Member of study Steering Committee and Consultant to the National Institute of Diabetes, Digestive, and Kidney Diseases for the economic evaluation of a multi-16-center randomized controlled trial of weight loss for prevention of cardiovascular disease in obese persons with diabetes.
Istituto Superiore di Sanita' (2002-2005)	Consultant to the Italian national health institute's Laboratory for Epidemiology and Biostatistics in the areas of applied epidemiology training and diabetes.
American Diabetes Association (2008-2010)	Member of Professional Practice Committee

PRESENTATIONS:

Williamson DF, Forman M, Bradstock M, Gentry E, Binkin N. *Behavioral Risk Factor Survey Results for Cigarette Smoking and Other Health-Risk Behaviors Among U.S. Women, 1981-83*. 35th Annual Epidemic Intelligence Service Conference, Atlanta, GA. April 1986.

Williamson DF, Forman M, Gentry E, Binkin N, Trowbridge F. *Smoking and Lower Body Weight in Women: The Role of Alcohol*. Poster Session, Society for Epidemiologic Research, Pittsburgh, PA. June 1986.

Williamson DF, Forman M, Binkin N, Gentry E, Remington P. *Alcohol and Body Weight in U.S. Adults*. American Society for Clinical Nutrition Meeting, San Diego, CA. April 1987.

Williamson DF, Kahn H, Remington PL. *The Ten-year Incidence of Overweight and Major Weight Gain Among United States Adults*. 61st Annual Scientific Sessions, American Heart Association. Washington, D.C., November 1988.

Williamson DF, Anda R, Madans J, Kleinman JC, Kahn HS. *Low Recreational Physical Activity Predicts Major Weight Gain in U.S. Adults*. 30th Annual Conference on Cardiovascular Disease Epidemiology. San Diego, CA. March 1990.

Williamson DF, Madans J, Anda RF, Kleinman JC, Giovino G, Byers T. *Smoking Cessation and Severity of Weight Gain in a National Cohort*. 23rd Annual Meeting of the Society for Epidemiologic Research. Snowbird, Utah. June 12-15, 1990.

Williamson DF. *The Epidemiology of Weight Gain in U.S. Adults*. 23rd Annual Meeting of the Society for Nutrition Education. Anaheim, California. July 24-28, 1990.

Williamson DF. *The 10-year Incidence of Obesity and Major Weight Gain in Black and White US Women aged 30-55 years*. Obesity and Cardiovascular Disease in Minority Populations. Conference of the

National Heart, Lung, and Blood Institute. National Institutes of Health. Bethesda, MD. August 28-29, 1990.

Williamson DF. *Overweight in the United States.* Navajo Area Indian Health Service Symposium on Overweight and Obesity in Navajo Indians. Farmington, New Mexico. September 17-18, 1990.

Williamson DF. *Juvenile and Adult Dieting Practices and Obesity Prevention Policy.* Testimony to Congress (Cong. Wyden): Committee on Small Business, Subcommittee on Regulation, Business Opportunities, and Energy. Washington, DC. September 24, 1990.

Williamson DF. *Weight Gain in U.S. Adults.* Annual Meeting of the Georgia Nutrition Council. Pine Mountain, Georgia. February 28-March 1, 1991.

Williamson DF. *Current Weight Loss Attempts Among U.S. Adults: Goal, Duration, and Rate of Weight Loss.* U.S. Public Health Service Professional Association 26th Annual Meeting. May 26-29, 1991.

Williamson DF. I. *Descriptive Epidemiology of Body Weight and Weight Change in U.S. Adults;* II. *A Review of the Evidence that Voluntary Weight Loss Increases Longevity.* National Institutes of Health, Technology Assessment Conference on Voluntary Weight Loss and Control. Bethesda, MD. March 30 - April 1, 1992.

Williamson DF. *Weight Loss and Mortality in the Cancer Prevention Study I Cohort.* Annual Meeting of the North American Association for the Study of Obesity. Atlanta, GA. September 3-5, 1992.

Williamson DF. *Childbearing and 10-year Weight Change in a National Sample of U.S. Women.* Seventh Annual National Chronic Disease Conference. Salt Lake City, UT. October 21-24, 1992.

Williamson DF. *Descriptive Epidemiology of Overweight and Weight Gain in U.S. Adults.* Harvard University School of Medicine - Tufts University, Continuing Medical Education Course on the Treatment of Obesity. Boston, MA November 12-14, 1992.

Williamson DF. *The Health Hazards of Weight Variability: Epidemiologic Perspectives.* American Association for the Advancement of Science. Human Obesity Seminar. 1993 Annual Meeting. Boston, MA. February 13, 1993.

Williamson DF. *Measurement, Risks, and Causes of Weight Cycling.* Society for Behavioral Medicine 14th Annual Scientific Sessions. San Francisco, CA March 12, 1993.

Williamson DF. *The Epidemiology of Weight Change and Longevity.* UCLA Department of Continuing Education in Health Sciences. Santa Monica, CA March 13, 1993.

Williamson DF, Pamuk E. *Weight Change and Longevity: Interpreting the Epidemiologic Studies.* Federation of American Societies for Experimental Biology. New Orleans, LA March 30, 1993.

Williamson DF. *Does Dieting Kill You?* U.S.-Japan Malnutrition Panel Conference on Prevention of Obesity. Baltimore, MD September 24, 1993.

Williamson DF. *Making a Decision about Mammography*. Daphne Roe Symposium on Nutrition in Academics, Government, and Industry. Cornell University, Ithaca, N.Y., June 4, 1994.

Williamson DF. *A Prospective Study of Intentional Weight Loss and Mortality in Overweight Women*. Weight and Weight Loss: Associations With Disease and Mortality. National Heart, Lung, and Blood Institute and National Institute of Aging Workshop. Bethesda, MD, June 30-July 1, 1994.

Williamson DF. *What is the "Incidence" of Obesity?* 7th International Congress on Obesity. Toronto, Canada. August 21-25, 1994.

Williamson DF. *The Effectiveness of Community-Based Health Education Trials for the Control of Obesity*. 7th International Congress on Obesity. Toronto, Canada. August 21-25, 1994.

Williamson DF, Pamuk E, Thun M, Flanders D, Byers T, Heath C. *A Prospective Study of Intentional Weight Loss and Mortality in Overweight Women*. 35th Annual Conference of the American College of Nutrition, Atlanta, GA. October 9, 1994.

Williamson DF, Pamuk E, Thun M, Flanders D, Byers T, Heath C. *A Prospective Study of Intentional Weight Loss and Mortality in Overweight Women: Implications for weight Cycling?* University of Pittsburgh, School of Public Health-Obesity Research Center. Pittsburgh, PA. January 9, 1995.

Williamson DF. *Predictors of Weight Gain in Population Studies*. International Conference on Nutrition and Physical Activity to Optimize Performance and Well-Being. International Life Sciences Institute, Atlanta, GA. April 5-7, 1995.

Williamson DF. *Public Health Surveillance of Obesity*. Workshop on Obesity and Poverty in Latin America. Pan American Health Organization. San Antonio de los Baños, Cuba. May 15-19, 1995.

Williamson DF. *Epidemiologic Issues in Studying Determinants of Weight Gain*. Annual Meeting of the North American Association for the Study of Obesity, The Pennington Center of Louisiana State University, Baton Rouge, LA., October 17, 1995.

Williamson DF. *Obesity as a Public Health Problem*. Nutrition Research Center. St. Luke's Roosevelt Hospital Center, Columbia University College of Physicians and Surgeons. New York, January 11, 1996.

Williamson DF. *Weight loss and longevity: A review of the epidemiologic evidence*. 7th European Congress of Obesity. Barcelona, Spain, May 14 - 18, 1996.

Williamson DF. *Reimbursement for Obesity Treatment: A Government Perspective*. Annual Meeting of the North American Association for the Study of Obesity. Breckenridge, Colorado, October 13, 1996.

Williamson DF. *The Obesity Epidemic*. Science Conference on Preventive Nutrition: Pediatrics To Geriatrics. American Heart Association, Salt Lake City, Utah, February 24 - 26, 1997.

Williamson DF. *What do we know about health effects of intentional weight loss: An epidemiologic perspective*. Workshop to determine feasibility of a randomized controlled trial of long-term intentional weight loss in obesity. National Institute of Health, Bethesda, MD, April 17 - 18, 1997

Williamson DF, *Weight loss and mortality in persons with diabetes*. 31st. Deidesheimer Gespräch, Obesity the Threat Ahead. Deidesheim, Germany, April 25 - 27, 1997.

Williamson DF, *Prospective study of intentional weight loss and mortality in overweight men aged 40-64 years*. North American Association for the Study of Obesity Annual Meeting. Cancun, Mexico. November 9-13, 1997.

Williamson DF, Thompson T, Flanders D, Thun M. *Intentional weight loss and mortality in persons with diabetes*. Poster presented at the American Diabetes Association Annual Scientific Sessions. June 13-16, 1998. Chicago.

Williamson DF, Thompson T, Flanders D, Thun M. *Intentional weight loss and mortality in persons with diabetes*. Oral presentation at spot light session on bias in epidemiologic studies, Annual meeting of the Society for Epidemiologic Research. June 24-26, 1998. Chicago.

Williamson DF. *The epidemiology of obesity, weight loss, and cardiovascular disease*. Canadian Atherosclerosis Society conference on Enzymes, Receptors, and Drugs in Obesity and Atherosclerosis. May 7-9, 1998. Toronto, Canada.

Williamson DF. *Intentional weight loss and mortality: Past, present, and future*. 8th International Conference on Obesity. August 29-September 4, 1998. Paris, France.

Williamson DF. Anda RF, Thompson TJ, Dietz WH, Nordenberg D, Felliti V. *Association of sexual abuse in childhood with severe obesity in adulthood*. Poster presented at the XV International Epidemiology Association Conference, Aug 31- Sept 4, 1999. Florence, Italy.

Williamson DF. *Challenges to estimating the impact of intentional weight loss on mortality in observational studies*. Presented at symposium on Biological and Clinical Consequences of Obesity in Diabetes. University of Pittsburgh, School of Medicine. June 28, 2000. Pittsburgh.

Williamson DF. *A Review of the Science for Primary Prevention of Type-2 Diabetes*. Presented at the 15th National Conference on Chronic Disease Prevention and Control, December 1, 2000. Washington, D.C.

Williamson DF. *Translation Research and the Challenge of Diabetes*. Presented to the Laboratory for Epidemiology and Biostatistics, Istituto Superiore di Sanita'. June 11, 2001. Rome, Italy.

Williamson DF. *Body weight and obesity in adults and self-reported abuse in childhood*. Oral presentation at the North American Association for the Study of Obesity annual meeting. October 6, 2001. Quebec City, Canada.

Williamson DF. *Challenges in estimating the relationship between weight loss and mortality*. Oral presentation at Nutrition Week Conference. February 24, 2002. San Diego, CA.

Williamson DF. Co-rapporteur for session entitled: Causes and consequences of the obesity epidemic. Experimental Biology 2002. April 22, 2002. New Orleans, LA.

Gregg E, Williamson DF, Zhang P, Engelgau M. Basic Concepts in Health Economics. Member of faculty for short course presented at the 25th Division of Diabetes Translation Conference. May 8, 2002. St. Louis, MO.

Williamson DF. *Preliminary Results of the TRIAD Study on Diabetes*. Presented to the Campania

Regional Health Department. October 18, 2002. Benevento, Italy.

Williamson DF. *Preliminary Results of the TRIAD Study on Diabetes*. Presented to the Laboratory for Epidemiology and Biostatistics, Istituto Superiore di Sanita'. October 22, 2002. Rome, Italy.

Williamson DF. *Primary Prevention of Type 2 Diabetes: A Critical Focus on Glycemic Status*. Presented to State of Montana Diabetes Prevention and Control Program's DPP project staff meeting. September 11, 2008. Helena, MT.

Williamson DF. *Primary Prevention of Type 2 Diabetes: Identification of Pre-Diabetes*. Presented to St. Peters Hospital Physicians Continuing Education Seminar. September 12, 2008. Helena, MT.

Williamson DF. *Fundamental Lessons from the Primary Prevention Science Base*. Presented at the workshop on Why Has Primary Prevention of Type 2 Diabetes Not Yet Become a National Priority? A Workshop to Examine the Challenges in Translating Science to Policy. June 25-26, 2009. Indiana University School of Medicine, Indianapolis, IN.

Williamson DF. *Issues in the Translation of Diabetes Prevention Science into Community-Clinical Practice*". Healthy People Conference 2009. March 10, 2009. Loma Linda University School of Public Health, Loma Linda CA.

Williamson DF. *What is Known: Primary Prevention of Type 2 Diabetes*. Presented to the NIH Diabetes Mellitus Interagency Coordinating Committee. November 10, 2009. Bethesda, MD.

RESEARCH GRANTS:

Co-Investigator, IHD Incidence and Indices of Body-Fat Distribution. NIH R01 Grant No. HL40844-01A2. (Principal Investigator, Henry S. Kahn, M.D.) 02/90 - 02/95.

Project Officer, The Long-Term Health Effects of Voluntary Weight Loss. Association of Schools of Public Health-CDC Cooperative Agreement U36/CCU300430-11. Harvard University and the University of Minnesota.
10/91 -10/96.

Co-Project Officer, Weight Gain Prevention Program. NIH-CDC Interagency Agreement. NIH R01 Grant No. DK00844-01 (Principal Investigator, Robert W. Jeffery, Ph.D.) 7/93 - 7/98.

Co-Project Officer, Cross-sectional Study of Pulmonary Artery Pressure and Cardiac Valvular Function Measured by Echocardiography in Patients Receiving Varying Degrees of Single or Multiple Appetite Suppressant Therapy. (Principal Investigator Mehmood Kahn, M.D.) NIH-CDC Interagency Agreement, No. 5960. 9/97 - 9/98.

JOURNAL REVIEWER:

AWARDS:

Senior Biomedical Research Service Award. Centers for Disease Control and Prevention. For outstanding scientific contributions in public Health. February 2, 1998.

Charles C. Shepard Science Award for Assessment and Epidemiology. Centers for Disease Control and Prevention. For scientific excellence demonstrated by publication of *Excess Deaths Associated with Underweight, Overweight and Obesity*. *JAMA* 2005;293:1861-1867 (with Katherine M. Flegal, Barry I. Graubard, Mitchell H. Gail). June 14, 2006.

Statistical Science Award. Centers for Disease Control and Prevention. Best Paper, Applied Category. *Projection of the year 2050 burden of diabetes in the US adult population: dynamic modeling of incidence, mortality, and prediabetes prevalence*. *Popul Health Metr* 2010;8:29. (with James P. Boyle, Theodore J. Thompson, Edward W. Gregg, Lawrence E. Barker). June 30, 2011.

SERVICE:

Court Appointed Special Advocate (CASA) Volunteer (2010 to present). Office of the Juvenile Court, DeKalb County, Georgia. I serve as a guardian ad litem for a child in the care of the Department of Family and Children services.
